Kata Pengantar

Pendidikan kesetaraan sebagai pendidikan alternatif memberikan layanan kepada masyarakat yang karena kondisi geografis, sosial budaya, ekonomi dan psikologis tidak berkesempatan mengikuti pendidikan dasar dan menengah di jalur pendidikan formal. Kurikulum pendidikan kesetaraan dikembangkan mengacu pada kurikulum 2013 pendidikan dasar dan menengah hasil revisi berdasarkan peraturan Mendikbud No.24 tahun 2016. Proses adaptasi kurikulum 2013 ke dalam kurikulum pendidikan kesetaraan adalah melalui proses kontekstualisasi dan fungsionalisasi dari masing-masing kompetensi dasar, sehingga peserta didik memahami makna dari setiap kompetensi yang dipelajari.

Pembelajaran pendidikan kesetaraan menggunakan prinsip *flexible learning* sesuai dengan karakteristik peserta didik kesetaraan. Penerapan prinsip pembelajaran tersebut menggunakan sistem pembelajaran modular di mana peserta didik memiliki kebebasan dalam penyelesaian tiap modul yang disajikan. Konsekuensi dari sistem tersebut adalah perlunya disusun modul pembelajaran pendidikan kesetaraan yang memungkinkan peserta didik untuk belajar dan melakukan evaluasi ketuntasan secara mandiri.

Tahun 2017 Direktorat Pembinaan Pendidikan Keaksaraan dan Kesetaraan, Direktorat Jenderal Pendidikan Anak Usia Dini dan Pendidikan Masyarakat mengembangkan modul pembelajaran pendidikan kesetaraan dengan melibatkan Pusat Kurikulum dan Perbukuan Kemdikbud, para akademisi, pamong belajar, guru dan tutor pendidikan kesetaraan. Modul pendidikan kesetaraan disediakan mulai paket A tingkat kompetensi 2 (kelas 4 Paket A), sedangkan untuk peserta didik Paket A usia sekolah, modul tingkat kompetensi 1 (Paket A setara SD kelas 1-3) menggunakan buku pelajaran Sekolah Dasar kelas 1-3, karena mereka masih memerlukan banyak bimbingan guru/tutor dan belum bisa belajar secara mandiri.

Kami mengucapkan terimakasih atas partisipasi dari Pusat Kurikulum dan Perbukuan Kemdikbud, para akademisi, pamong belajar, guru, tutor pendidikan kesetaraan dan semua pihak yang telah berpartisipasi dalam penyusunan modul ini.

Learning Activities

A. Activity 1: Manual

Lead-in

Do you know how to operate a washing machine?

Source: https://www.cartoonstock.com

1. Read and Learn

Manuals for Using Washing Machine

1. Add your dirty clothes and detergent to the drum of the machine.
2. Fill the drum with water at the temperature you require.
3. Perform the 'Wash' cycle – bear in mind a large load will need more time to wash than a smaller one.
4. Once the 'Wash' cycle has finished, drain the dirty water using the hose. Refill the drum with fresh water.
5. Switch on the 'Rinse' cycle. A fully automatic machine will do all of this for you.
6. After the 'Rinse' cycle your clothes should be completely clean.
7. You now need to get the clothes as dry as possible by spinning them. A fully automatic machine will do this for you, but if you have a semi-automatic machine, you now need to transfer your clothes from the washing drum into the other drum – again, the size of the load will determine how long you need to spin them for.
8. With all types of machine, once the spin cycle is finished, you should remove the clothes as soon as possible and hang them up to dry.

Can you explain how to use the ATM?

How to Use your ATM

ATMs, or Automated Teller Machines, provide a simple, convenient way to access your bank account from just about anywhere. Though ATMs may seem confusing at first, they're actually incredibly straightforward and easy to operate. Here are some simple steps to use an ATM especially to withdraw some money.

How to Use

1. To use an ATM, first insert your debit card into the machine.
2. Select your language if necessary.
3. Enter your account's secure 4-digit (sometimes 6-digit) PIN number. For security, cover the number pad while typing to make sure nobody sees your PIN.
4. Once the menu screen pops up, select whether you want to withdraw money, deposit money, transfer money, make a payment, or check your account balance.

Source: google.com

5. To withdraw money, for instance, select withdrawal menu and then set the amount of money you'd like to withdraw.
6. Follow the on-screen prompts to complete your transaction.
7. Once the transaction is complete, the money will come out from the ATM.
8. As you collect the money, your ATM Card will come out too. Don't forget to take and save it.

Be Brave

Stand

For the silence and the broken ones
For the families who have lost someone
You have a voice

Stand

I'll follow shadows unveil who you are
Light the candle and don't fear the dark
No matter how small
When you've got the call

Be brave

Shine all your light
Where is your fight
Be brave
Turn on your light
You got to fight

Be brave

Be brave
Yeah...
Tonight

We celebrate our love for you
Cause you've given us so much of you

For every single sacrifice
You have paid the price
And where

Wherever you may go
I know that you can make it so
Don't give up the fight
Don't turn out the light
Be brave

Shine all your light
Where is your fight
Be brave
Turn on your light
You got to fight

Be brave

Be brave
Yeah...

We are one

We are loved

Let our strength unite us
And not divide us
Let's stand as one

Write down the lyrics in Bahasa Indonesia here.

Every turn I take, every trail I track
Every path I make, every road leads back
To the place I know, where I cannot go
Where I long to be
See the line where the sky meets the sea it calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know, if I go there's just no telling how far I'll go
Oh oh oh, oh, oh oh oh oh, oh oh oh
I know, everybody on this island seems so happy on this island
Everything is by design
I know, everybody on this island has a role on this island
So maybe I can roll with mine
I can lead with pride, I can make us strong
I'll be satisfied if I play along
But the voice inside sings a different song
What is wrong with me?
See the light as it shines on the sea it's blinding
But no one knows, how deep it goes
And it seems like it's calling out to me, so come find me
And let me know, what's beyond that line, will I cross that line?
See the line where the sky meets the sea it calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know, how far I'll go
