UNIT 1

I'M WAITING FOR YOUR INVITATION

Hai. How are you today?

Friends, have ever got an invitation letter? Or have you ever written an invitation letter?

This unit will discuss about it. Let's check it out.

Activity 1 : Reading

Read this passage carefully, then answer the questions below.

One day, Sally was walking around in a park. She tried to find a bench so she could read a book that she brought. Finally, she found it. She sat right away.

Sally was a manager of an outstanding company in Indonesia. She was a humble boss of hundreds of employees.

Suddenly, a man came to her and said, "Miss Sally, what a coincident! I was looking for you for some days. I couldn't find you in your office. Now, here you are!"

"Mr. Nono. How are you? It has been a long time we haven't met, right? Is there something important that I can help you, Sir?", Sally asked.

"No. I just want to give you an invitation letter. I hope you could come to our event, a charity event of our school, exactly. This is the letter", he said.

Mr. Nono was Sally's headmaster when she was in senior high school. Sometimes they met in some events.

Sally read the letter and said, "Thank you, Sir. It is an honour that I could attend your invitation."

"It's also an honour for us to welcome you there.

We are waiting for you", Mr. Nono said.

Don't worry, I'll come

Preface

Pendidikan kesetaraan sebagai pendidikan alternatif memberikan layanan kepada masyarakat yang karena kondisi geografis, sosial budaya, ekonomi dan psikologis tidak berkesempatan mengikuti pendidikan dasar dan menengah di jalur pendidikan formal. Kurikulum pendidikan kesetaraan dikembangkan mengacu pada kurikulum 2013 pendidikan dasar dan menengah hasil revisi berdasarkan peraturan Mendikbud No.24 tahun 2016. Proses adaptasi kurikulum 2013 ke dalam kurikulum pendidikan kesetaraan adalah melalui proses kontekstualisasi dan fungsionalisasi dari masing-masing kompetensi dasar, sehingga peserta didik memahami makna dari setiap kompetensi yang dipelajari.

Pembelajaran pendidikan kesetaraan menggunakan prinsip *flexible learning* sesuai dengan karakteristik peserta didik kesetaraan. Penerapan prinsip pembelajaran tersebut menggunakan sistem pembelajaran modular di mana peserta didik memiliki kebebasan dalam penyelesaian tiap modul yang disajikan. Konsekuensi dari sistem tersebut adalah perlunya disusun modul pembelajaran pendidikan kesetaraan yang memungkinkan peserta didik untuk belajar dan melakukan evaluasi ketuntasan secara mandiri.

Tahun 2017 Direktorat Pembinaan Pendidikan Keaksaraan dan Kesetaraan, Direktorat Jenderal Pendidikan Anak Usia Dini dan Pendidikan Masyarakat mengembangkan modul pembelajaran pendidikan kesetaraan dengan melibatkan Pusat Kurikulum dan Perbukuan Kemdikbud, para akademisi, pamong belajar, guru dan tutor pendidikan kesetaraan. Modul pendidikan kesetaraan disediakan mulai paket A tingkat kompetensi 2 (kelas 4 Paket A), sedangkan untuk peserta didik Paket A usia sekolah, modul tingkat kompetensi 1 (Paket A setara SD kelas 1-3) menggunakan buku pelajaran Sekolah Dasar kelas 1-3, karena mereka masih memerlukan banyak bimbingan guru/tutor dan belum bisa belajar secara mandiri.

Kami mengucapkan terimakasih atas partisipasi dari Pusat Kurikulum dan Perbukuan Kemdikbud, para akademisi, pamong belajar, guru, tutor pendidikan kesetaraan dan semua pihak yang telah berpartisipasi dalam penyusunan modul ini.

UNIT 2 SEND ME A LETTER

Have you ever written a letter to your friend personally? In this unit, we are going to discuss a personal letter. Even though it's not familiar enough right now, in this era, writing a letter is still needed in some reason and occasion. Before we discuss it further, let's check the following activities.

Activity 1 Reading

Read the passage carefully, then answer the questions below.

Dear Reader,

My name is Tim Caroe and I work as a GP. In my job, I often meet people who are struggling with things in their lives, and 2 years ago I began to feel dissatisfied with what I was able to bring to their distress, so I started investigating different types of therapy. I was most attracted by narrative therapy, a type of therapy used for many years by family therapists. This led me down a new avenue in my consultations, one which has led to me writing to you today.

In this letter, I'm going to tell you a bit about the theory of narrative, and then how I have used it in my consultations to date. As you read, I'm sure that my letter will stir up ideas of your own and it would be good if you could add these thoughts to my own, because I believe that something new can emerge through the meeting of ideas. That's the kind of thing that I hope happens when I write letters to people I meet in my job, people who are often called 'patients'.

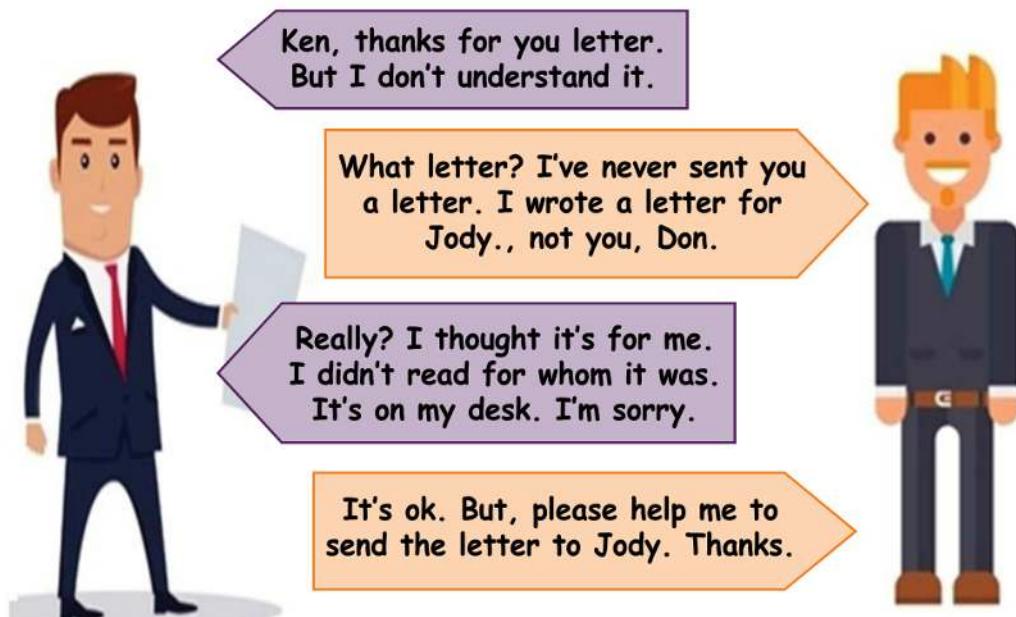

So what is a narrative? It is much more than just a story. It is a created thread that links events in our lives and puts them into a context — it gives them a certain meaning. As such it tells us who we are, and where we are going. One philosopher wrote:

'Making sense of my present action ... requires a narrative understanding of my life, a sense of what I have become which can only be given in a story ... We grasp our lives in a narrative.'

Activity 3 Writing

Many people have problems in writing a letter, especially, a personal letter. Here are some tips in writing it that you can implement..

1	Write a draft to avoid wasting paper because you didn't like what you wrote down in the letter. In the draft, you can still edit your letter and when you write down the final message in your actual letter, your message is easy to read and it looks good.
2	Make sure that your letter is written clearly and neat, so it's easy to read. You may type it on the computer.
3	Make sure that your spelling is correct and there are no grammatical errors. Check and read your letter before you send it. It's embarrassing to send a letter with wrong grammars. Your recipient might be confused what was your point in your message.
4	When you are writing a letter, leave some room to talk about topics that are common interest between you and the recipient.
5	If you are writing the letter to someone that you have not seen for a very long time, or writing to a pen pal that you started writing to, enclose your recent picture along to create a platonic connection with your correspondent. It makes the letter writer feel closer to their respondent.

You can get more information on it by access <https://www.examples.com/education/how-to-write-a-personal-letter-with-examples.html>

There are some terms to open (salutation) and close a letter. You can check them out in the table below

Greetings (Salutations)	Closings (Endings)
<ul style="list-style-type: none"> • Dear [name] • To [name] • Hi [name] • Hello [name] 	<ul style="list-style-type: none"> • Take care • See you soon • We miss you • Looking forward to hearing from you • Regards • Have fun • Hoping to see you soon • Your friend • Love • With love/with much love • Wishing you well • Cheers • Yours sincerely • Yours truly (formal) • Sincerely (formal)
